

# GAME 2 – MAKE A SCENT BOX

Homemade toys are great fun.

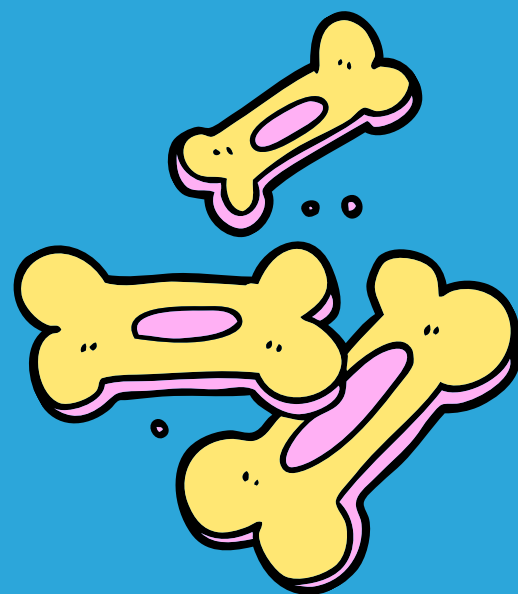

Encourage your dog to search for their food with a homemade scent box.

Make your own fun scent box.

Here's how:

- Get a shallow cardboard box (or cut a deeper one to suit), or use a large cat litter or heavy duty garden tray
- Fill it loosely with scrunpled up scrap paper
- Let your dog watch you scatter a few bits of kibble into the box
- Allow your dog to dive in and find the wonderful treats
